SUMMARY

A passionate and self-motivated Computer Science and Engineering student majoring in Software Engineering. I aim to enhance my technical expertise and contribute to innovative software development projects. I am eager to apply my problem-solving, analytical, and teamwork skills to real-world challenges in the tech industry.

WORK EXPERIENCE

Organizer, AIUB Performing Arts Club

Feb 2025 - Present

- Planned and coordinated cultural and performing arts events within the university.
- Collaborated with club members to manage stage performances, logistics, and promotions.
